Born 7 June 1996

EDUCATION

October 2018 - April 2021

Master's degree in Physics - Physics of Complex Systems

Università degli Studi di Padova, Padua, Italy

- Final Score: 110 cum laude
- Thesis: "Folding Mechanisms of Entangled Proteins: Numerical Simulations within Coarse-Grained Structure-based Models"

October 2015 - September 2018

Bachelor's degree in Physics

Università degli Studi di Perugia, Perugia, Italy

- Final Score: 110 cum laude

WORK EXPERIENCES

June 2015 - July 2019

Children's chaperone

Soggiorni TIM: Colleverde Summer Camps, Colle Umberto, Perugia, Italy

OTHER EXPERIENCES

Tutoring

- Mathematics
- Physics

SKILLS

Languages

- Italian – Native speaker
- English – level C1 European language levels

Computer Science

Programming languages: C++, Python, and L^AT_EX

Interests in Data Analysis and Data Visualization

Machine Learning basics

Basic course on cardiovascular resuscitation

Delivered by Padova fa battere il cuore

Driving licence

European (B)

INTERESTS

- Board games
- Natures
